## Managing Director Message

Since 2021, we have been dedicated to providing top-tier Building Construction, Mechanical, Electrical, and Public Services systems in Sri Lanka. Our specialization in Solar Installation reflects our commitment to sustainable energy solutions for both domestic and industrial sectors.

Our success is driven by our dedicated team and the trust of our valued clients. Thank you for your continued support. We look forward to building a brighter, sustainable future together.

Warm regards,

**ARUNA KANDEKUMBURA**

# About Company

We are delighted to welcome you to ROUTZ Engineering Solution (PVT) LTD, your trusted partner in comprehensive Building Construction, Mechanical, Electrical, and Public Services systems in Sri Lanka. Since our inception in 2021, we have been dedicated to delivering superior quality services, specializing in Solar Installation for both domestic and industrial sectors.

Our company is proudly registered with the Sri Lanka Sustainable Energy Authority (Reg No: SLSEASBS00825PV002407012024ABT1) and the Construction Industry Development Authority (Reg No: PV 00240701, **EM 2 Grade**). These registrations underscore our commitment to adhering to the highest standards of sustainability and construction excellence.

Thank you for choosing ROUTZ Engineering Solution (PVT) LTD. We look forward to working with you and making your projects a resounding success.

Warm regards,

ROUTZ Engineering Solution (PVT) LTD Team

# Values & Culture

At ROUTZ Engineering Solution (PVT) LTD, our values and culture are the cornerstone of our identity and the driving force behind our success. Established in 2021, we have built a reputation for excellence in Building Construction, Mechanical, Electrical, and Public Services systems across Sri Lanka. Our commitment to innovation and sustainability, particularly in solar installation, reflects our dedication to creating a better future for our clients and our community.

*Our values guide every decision we make, ensuring that we operate with integrity, deliver high-quality services, and foster a collaborative and respectful working environment. Our culture promotes continuous improvement, encourages diversity of thought, and emphasizes the importance of ethical practices and eco-friendly solutions.*
